

# Cgov Annual Conference

4<sup>th</sup> & 5<sup>th</sup> September 2017, QT, Gold Coast, QLD

---

The Cgov Annual Conference provides our clients a greater understanding into our innovative solutions and demonstrations of new features; review of case studies from successful Cgov implementations; and an opportunity for users to provide feedback on the future development of Cgov.

## Delegates that should attend

- Existing Cgov Users & System Managers
- Health IT Managers
- Staff seeking to improve Business Processes
- Health Executives responsible for Clinical or Organisational Performance
- Managers responsible for Risk, Safety, Compliance & Quality Improvement

## Our Vision

- Manage workflows for all operational quality, compliance, administrative, HR and finance activities in one system.
- Embed quality improvement throughout all business processes and benchmark performance against best practice for similar organisations.
- Implement new workflow and business process programs without incurring additional staff or software costs.

## Our Solutions

- |  |   |
|--|---|
| • Credentialing for SMO's, Nurses and Allied Health    | • HR and Workforce Management                   |
| • Audits and Surveys (Clinical, Finance and Corporate) | • Quality Improvement Tracking and Verification |
| • Governance and Compliance                            | • Consumer Engagement                           |
| • Risk Management and Reportable Events                | • Employee Expense Management                   |
| • Operational Management                               | • Financial Management                          |
